Letter no A S 860/41 dated 2-4-42 from the Municipal Commissioner Bangalore City Municipality stating that the increments of some officials who have not passed the required tests, have been stopped and Soliciting orders on the representations of certain officials for increments on the ground that two years time is allowed in G O dd 10-3-42 to pass the said tests ---

Flag A — Under G*O dated 18-4-34, the Municipal and first Board officials are required to pass the L S G examination

Flag B — In G*O dated 10-3-42, it is made clear that the officials both in the Local Bodies and the Rev Dept should pass the L S G examination and the Rev examination The latter order does not supersede the former and it is to be considered as a further clarification of the matter ---

2. The increments have been withheld for not having passed the local tests in accordance with the G dated 18-4-34, and the same board-

as stressed in the G o dated 10-3-42.
There is nothing to indicate in the
latter order that the penalty imposed
in accordance with the former order
should be taken off. The claims of
the officials for increments on the
ground that two years time has
been allowed for passing the tests
are
is an ingenious subterfuge interpretation
of the order d 10-3-42. The two years'
period allowed in this G o is obviously
intended for those that are newly
transferred either to a Local Body
or to the Rev Dept.

3 The Hd Comr also wants to
know if the G o d 10-3-42 applies
only to the officials who will be trans-
ferred subsequent to the date of
this Govt order. This presumption of
the Comr is correct. This Govt order
read with G o dated 18-4-34 would
make it obligatory that the officials
who are already under the Local Bodies
and also those that will be transferred to
them should pass the tests referred to

7 I am of opinion that the officials already working in the several Local Bodies may also be given two years' time to pass the Local Service Tests prescribed in the Government Order dated the 20th March 1942, the increments that would accrue to them in the interval being sanctioned.

Adverting to Government Order No L 8181-203/L1 126-41-4 dated 10th March 1942 directing inter alia that the officials of both the Revenue Department and of Local Boards should pass the Revenue and also the Local Boards Test I have the honour to state that some officials of the Revenue Department, who have been transferred here about 3 or 4 years back and whose annual increments had been stopped on account of not passing either the Revenue or the Local Board Test as required in Government Order No L 7487-507 ML 151-32-15 dated 18th April 1934 claim increments now on the ground that two years' time is allowed to pass Local Board Test as per Government Order under reference

Some officials who were entertained by the Local bodies and whose increments have been withheld as they were not exempted under the Government Order of 1934 and as they have not passed the Local Board Test claim increments now on the ground that two years' time is allowed to pass the Local Board Test as per Government -- Order under reference

I seek instructions if the increments in the above-mentioned cases may be sanctioned for a period of two years from 10th April 1942, i e the date of the Government Order under reference

I may also be enlightened as whether the present

Government Order applies only to the officials who will be -- transferred subsequent to the date of the Government Order under reference and not to others
